Hockey is not just a sport, it's a discipline. That discipline carries through everything a player strives to achieve, both on and off the ice.

The Cooler Classic Thanksgiving Showcase gives our young players an opportunity to see where their hockey journey can take them. From the finest College Preparatory programs to Junior level play, learn what hockey has to offer beyond the rink and into the classroom.

The 2008 Hockey Scholars Academic Expo offers players and parents an opportunity to meet with and ask questions of these student players about life on campus, academic rigor and the pressures of competitive play. Prep programs such as Cushing Academy and club programs such as the University of Georgia Ice Dogs will also have information about their programs and program requirements. Special guest speakers will also discuss the NCAA Clearing house and our own Atlanta Thrashers will also provide a guest speaker for the weekend.

Our local sponsors include the Atlanta Thrashers, the Alpharetta Convention & Visitors Bureau, The Georgia Aquarium, and our host rink, The Cooler. We are all working together to give families an unforgettable experience that will also help them see the value of hockey in a student athlete's future goals.

Welcome to the Cooler Classic! We look forward to seeing you in Atlanta!

Regards,

Steve Jacobs, Sr.
